Fury Ultimate Adventure

FURY's Ultimate Adventure checks in at 9:30am and departs at 10 am. You will sail 7 miles out to the only living coral reef in North America on our beautiful 65' sailing catamaran, while enjoying breakfast. Once at the reef you will snorkel for one hour and view up close angelfish, parrotfish, blue tangs and many more species that will amaze you. Our helpful and friendly crew provides snorkel equipment and free training. You will then take a 45-minute sail from the coral reef that is on the Atlantic side of Key West to the Gulf of Mexico and enjoy an all you can eat picnic lunch buffet on the sail over (sodas and water provided free all day). On arrival in the Gulf we dock with our floating platform island. There you will have an afternoon of fun Jet Skiing, Parasailing, Kayaking, Climbing and jumping or you can relax and sunbathe on our spacious sun decks. When finished, cool down with the complimentary beer and wine as we sail back to Key West with the story of the Ultimate day on the water in Key West.
